## What is Summer EBT?

Summer EBT is a new child nutrition program intended to reduce hunger and food insecurity for children who lose access to free school meals during the summer when school is not in session. This summer, NJ will be sending an EBT card to every eligible child to purchase food at participating retailers.

## Who is eligible?

If your child is already receiving free or reduced price school meals they are automatically eligible and enrolled to receive the federal Summer EBT benefit, and **no further action is required.**

## How to apply?

To see if your child qualifies for the federal Summer EBT benefit, submit a Free and Reduced School Meals Application before May 10, 2024, online via the [PayschoolsCentral.com website](https://www.payschoolscentral.com) OR drop off a paper application to your child's school. Click on the boxes to the right to download a paper application.

\*Applications will continue to be accepted after May 10, but may not receive their EBT card until after June.
